The BULL'S EYE

Editor and General Manager
WILL ROGERS

I see where some of the Foreign Nations say they are going to FUND their debt to America, and all the Papers are all excited about it. But the BULL'S EYE is a Paper that never misleads our readers (either one of them). FUNDING a debt means about the same thing as having a fellow that has owed you for years, come to you and say "I am going to make arrangements to take up that loan I owe you just as soon as I can collect it from some fellows who owe me." So don't be any means get FUNDING mixed up with PAYING. The two have nothing in common. These Nations are just stalling until another War comes along and the first thing you know our debt will be four Wars behind. We have enough saved up to fight again, but they are using it now to enforce Prohibition.

Oh, yes, "BULL" DURHAM. I like to forget to mention that. Well, that is what the Foreign Nations are paying us in. "BULL" DURHAM without the DURHAM.

Will Rogers

P. S. There is going to be another piece in this paper soon. Look for it.

RED CROSS AID TO VETS MOUNTING

Heavier Demands for War Service Laid to New Legislation Granting Wide Benefits.

ACTIVE FORCES AIDED ALSO

Duty to Ex-Servicemen and Service Men First Responsibility of the Red Cross.

A marked increase in the service given by the American Red Cross to ex-servicemen through Chapters, hospitals, Government and Red Cross offices during the past year, and which volume is expected to be maintained during most of the fiscal year ending June 30, 1926, is shown in the reports of the war service activities of the organization, just completed.

Service to the disabled and to men now in active service continued to be one of the primary obligations of the Red Cross. The increased activities in this regard were attributed largely to the legislation giving new benefits to ex-servicemen.

The keynotes of the Red Cross service lies in the Home Service work of disabled veterans, and men still in service. At the close of the fiscal year June 30, 1925, 2,891 Chapters were active in this work and had expended approximately \$2,337,000. Included in their work was assistance to ex-servicemen in making out adjusted compensation papers, in the handling of claims reopened, or made possible under liberalized terms of the World War Veterans' Act of 1924; and in many other ways.

An unusual amount of legislation passed by Congress and State bodies has necessitated the issue of much new material in the past year. Legislation was passed during the year liberalizing conditions applying to hospitalization, compensation and other benefits under the Veterans' Bureau; this in turn has entailed re-opening of many claims formerly disallowed, filing of many new claims, and the Claims Service at National Headquarters this year handled 17,404 in comparison with 12,519 cases the previous year.

Increased service to men in hospitals was noted, as well in the number of hospitals in which service was maintained by the organization. Due to new legislation an increase of over 6,000 patients were admitted for hospitalization, a new peak approximating that of March 1922. Since a large number of this group includes patients not eligible for compensation, the solution of their personal and family problems has involved careful study by the National Organization. There are 20,000 disabled ex-servicemen in Government hospitals every day of the year, and their need has directly led to a revival of the best-known and perhaps most popular activity the Red Cross sponsored in war—a new campaign for knitted "Red Cross sweaters." These articles are among the few not furnished by the Government.

For the men still on active duty in the Army, Navy and Marines, the Red Cross during the year maintained Field Directors at all important stations, camps, and hospitals of these armed forces of the country.

A monthly average of 96,931 services and ex-servicemen were aided by the Red Cross during the year. The man in service, and the man who has served his country are among the primary responsibilities for which the American Red Cross is chartered by Congress. Nevertheless it has many other obligations and it is on this basis that an appeal will be made for a larger enrollment than ever during the Annual Roll Call, Armistice Day, November 11, to November 26.

Strong Membership Appeal In Red Cross Disaster Relief

Asking themselves "What if disaster should visit our city?" the leading citizens of many communities of the United States have adopted the Scout motto to "Be Prepared."

Impressed by the frequency and the wide range of peace time calamities in their country, they have organized their communities with the thoroughness which normal conditions permit, against the possibility of a time when there will be no chance for thought or plan. Red Cross Chapters in many localities are similarly prepared.

PICKED UP ABOUT TOWN

You've noticed that during a coal strike it's the consumer instead of the miner who does the digging.

"A coquette," says Alfred Dorman, "is a woman without any heart who makes a fool of a man who hasn't any head."

This world has come a long way since the picture of an actress in a package of cigarettes once shocked us.

J. E. McCroan says his idea of the meanest man on earth is the one who won't take a paper because his wife might find a bargain among the ads and spend a little of his money.

"Old nature may be pretty wise in all her provisions, but what can she hope to gain by putting a pair of bow-legs on a pretty?" asks Sid Parrish.

"When a stranger promises to let you in on something," says Walter McDougald, "you'd better first look around for a way to get out."

"This is a great country," says Albert Deal. "It has old men who have never seen a railroad train and children who have never seen cows."

Joe Tillan says "the old-fashioned clothes they used to wear may have shown good taste, but that's about all they did show."

We have had men to ask us about a cure for everything but a grouch when that was the only thing they really needed.

MUSIC CLUB MEETING.

The music club, consisting of the pupils of Mrs. Paul B. Lewis met Friday night at her home. A program was enjoyed. There a name was decided on for the club. FOR VISITOR.

Mrs. E. T. Youngblood honored her guest, Mrs. Robert Henry of Waycross, with a lovely party Tuesday afternoon.

The attractive home held a Thanksgiving atmosphere, yellow chrysanthemums being lavishly used in decoration. The lights were shaded with yellow, and a soft glow came over the room, the tables were covered with stripes of crepe paper suspended from the ceiling. Thanksgiving favors were attached to the dainty place cards.

Guests were invited for ten tables of bridge and rummy. After the game, at which Mrs. E. N. Brown was given top score and Mrs. L. Ester Brannen the consolation, a dainty salad was served by the hostess.

The wedding took place at the home of the bride's parents, Mr. and Mrs. Levy Rusing, Sunday morning at six-thirty o'clock, Rev. W. T. Granade performing the impressive ring ceremony, in the presence of the immediate family.

The living room, in which the ceremony took place, was tastefully decorated with yellow and white chrysanthemums and ferns.

U. D. C. MEETING.

The Bulloch County Chapter of the United Daughters of Confederacy met at the home of Mrs. W. G. Neville November 11th. A very attractive and appropriate program was arranged especially for Armistice Day by Mrs. E. L. Smith.

The meeting was opened with a U. D. C. prayer in concert. All present joined in singing one verse of "America." A paper on "Our Boys of '65" by W. H. C. Cone, was read by Mrs. Anna Potter.

Mrs. E. D. Holland read "Our Boys of '18," by Mrs. McIntyre of Savannah. Mrs. S. H. Lichtenstein most interestingly read "The Unknown Soldier" at Arlington. A poem, "The Unknown Soldier," was recited by Frank Mikell. Closing the program Mrs. E. L. Smith read, "The Armistice."

The meeting was then turned over to the president, Mrs. J. C. Lane. A report from the treasurer, Miss Hattie, was read, showing satisfactory condition. Mrs. J. C. Lane made a report on the annual meeting held in Sandersville this year. She announced joyfully that the 1926 convention of the Daughters will be held in Statesboro next October.

Each one present was asked to state where she was and what she did during November 11th, 1918, at 11 o'clock.

The next meeting will be held on December 10th with Mrs. Alice V. Brannen.

Mrs. Neville served a delicious sweet course, assisted by Mrs. R. L. Cone.

MUNICIPAL ELECTION

ONLY TEN DAYS HENCE

CITIZENS CALLED TO HEAR REPORTS FROM RETIRING COUNCIL TUESDAY EVENING.

A formal call has been issued by the city executive committee, S. W. Lewis, M. W. Akina and J. L. Renfro, for a meeting of the citizens of Statesboro to be held in the court next Tuesday evening, December 1st, to receive the reports from the various city departments for the past year.

The regular annual election will be held on Saturday, December 5th, when three new members of council will be chosen to replace the retiring members. The retiring councilmen are W. J. Ragsley, J. E. McCross and J. B. Everett. The two hold-over councilmen are Cecil W. Brannen and E. A. Smith. Mayor Homer C. Parker, whose term is likewise for two years, has another year to serve.

At the Tuesday night meeting of citizens it is expected that the usual proceeding will be followed. Besides receiving the annual reports of the city's affairs, it will be decided whether there shall be a city primary for the nomination of candidates for the places on the city council. Last year, for the first time in a good many years, the primary was dispensed with and the people went direct to the polls in the regular election on Saturday. It is deemed quite probable that the same procedure may be followed this year. So far as is known, there has been no slate-making for the new council. The three members who are retiring have served for terms varying from two to six years. They may again ask to be excused from further service as they have in the past. Indeed, they may fully decline to be continued in service. There has been no mention so far of any probable candidates. It is felt assured, however, that by the time of the meeting Tuesday night there will be some developments of a slate.

If there is to be any issue involved in the coming contest, it will revolve around the proposed sale of the city light plant. For almost a full year the proposition has been before the council, and so far it has been evaded successfully on one pretext or another. When the matter was first submitted, the council seemed to look with favor upon the proposition, but hesitated to act without some expression of endorsement from the people. A mass meeting was held and the vote was overwhelmingly in favor of the sale. Resolving still further, the council demanded a vote at the ballot box. This vote resulted in a majority of eleven to one for the sale. But still further obstacles have prevented progress. It might be said in passing that there is no apparent open intention to make that issue, though it has been intimated that the people would be asked to vote for a council who are willing to accept instructions from the people in the matter of a sale.

It may, therefore, be possible that next Tuesday evening's meeting contains possibilities that are not now apparent on the surface. The future policy of the city with regard to the sale of the plant may be involved in whatever action is taken at that meeting.

MRS. W. C. PARKER.

After an illness extending over several months, Mrs. W. C. Parker died at her home in Statesboro at an early hour last Friday morning. Interment was in East Side cemetery at 11 o'clock Saturday morning following services at the Baptist church which were conducted by the pastor, Rev. W. T. Granade. The large attendance of friends and the beautiful floral offerings bore testimony to the esteem in which the deceased was held.

Besides her husband, deceased is survived by the following children: Mrs. Howell Cone and Mayor Homer C. Parker, Statesboro; Mrs. T. L. Matheson and Mrs. A. C. Skelton, of Harwell, Ga.; and Mrs. Sam Littlejohn, of Gaffney, S. C.

COUNTY SCHOOL NEWS

We shall expect all the high schools and junior high schools of this county to begin planning for "Field Day" in the near future. About the first of April it is our purpose to have a day of rivalry in the form of athletic contests as well as literary. A complete program will be arranged and published in due time. Think it over and commence preparations long before the time, so that your school will make a creditable showing.

You patrons who have paid no attention to the legal requests to enter your children to be between the ages of 8 and 14, inclusive, will save yourselves trouble and expense by entering your children within these ages promptly. Or at least you shall render a legal excuse.

Let every teacher in Bulloch county become a member of the Georgia Teachers' Association. The biggest one factor in influencing legislation in existence is the Georgia Teachers' Association. If you expect to be able to have longer terms of school, it is necessary that concerted effort be made to help make such a thing possible. The cost is only one dollar per year, and it will come back to you in more ways than one. You do not have to attend the annual meeting to become a member, but you will have the right to if you desire.

There is no better land in Bulloch county, perhaps. There may be tracts on which there are better improvements, but as to the intrinsic value of the lands, the price paid indicates the value placed upon it by the parties interested.

There is no better land in Bulloch county, perhaps. There may be tracts on which there are better improvements, but as to the intrinsic value of the lands, the price paid indicates the value placed upon it by the parties interested.

Every school yard should be made attractive. The planting of trees is one essential, provided trees are properly placed. We hope to be able to offer a substantial prize for the most beautiful school yard in this county. In many places the grounds are being gullied and washed badly. A little more care in the right time will grow where something attractive would grow as well and would look much more creditable. A teacher or teachers who have not enough pride to make the school premises attractive, are manifesting an indifference that will have the wrong bearing on the future of the children attending such school. Make your school the most attractive school in the county.

Saturday, December 12th, will be the day of the next meeting of the Bulloch county teachers' association. Meet at the court house auditorium at 10:30 a. m.

The below program will consume the time of this meeting:

Devotional exercises—Mrs. E. T. Denmark.

Vocal solo—Miss Gladys Odum.

Vocal solo—Miss Irene Arden.

Addresses—Supt. W. V. Lanier and Supt. R. M. Monte.

D. L. Shealy, chairman program committee; Mrs. F. W. Hughes, secretary.

Let every teacher be present on time at this meeting.

PRESBYTERIAN CHURCH.

There will be preaching services both morning and evening by the pastor, Rev. Hal R. Boswell. The subjects to be discussed are "The Second Coming of Christ," "The Great Guest," Sunday school, 10:15 a. m.; morning worship, 11:30 a. m.; C. E. society, 6:45 p. m.; evening church service, 7:30 p. m. School stewardship, Wednesday, 7:30 p. m. You are cordially invited to worship with us.

BAPTIST CHURCH SUNDAY.

The pastor will speak Sunday morning on "The Christian Point of View." If he is a new creature in Christ, what then is his interpretation of his relation to God, Christ, his brother, himself, etc. At night he will speak on "The Millennium," the first of four studies on the last chapter of Revelation.

Mrs. Holland will sing Sunday morning, "The Good Shepherd."

Binghams A special feature of the program for the evening will be a violin quartette arrangement. The public is specially invited to attend the services of the day.

FURTHER ACTIVITY IN REAL ESTATE CIRCLES

Another big real estate transaction is reported this week, involving the sale of approximately 500 acres of Bulloch county farm lands at a price around \$50 per acre.

The transaction comprises the sale of the Dr. A. Temple lands near Chito, and the purchaser was W. E. McDougald. The exact price paid for the tract was \$29,000—which is slightly less than \$50 per acre.

There is no better land in Bulloch county, perhaps. There may be tracts on which there are better improvements, but as to the intrinsic value of the lands, the price paid indicates the value placed upon it by the parties interested.

These people not only conduct a large mercantile business, but are extensively engaged in farming as well.

For the past two or three years they have had charge of the lands adjoining the farm of the former estate of Mr. McDougald, that is, if he could succeed farming on other people's lands, he might reasonably have to do as well on his own lands and have the rent. It was for this reason that he negotiated for the Temple holdings. The tract comprises 517 acres, 500 of which are under cultivation.

CHRISTMAS GIFT SALE.

The Ways and Means committee of the Statesboro Woman's Club will sponsor a sale of Christmas gifts, card table covers, dainty handkerchiefs, and fancy aprons, at Holland Drug Company's all day Friday, December 12th. They will also have on sale good food chicken salad sandwiches at 10 cents each. Every member of the club is expected to make a liberal donation for this sale. The gifts are to be sent to the home of Mrs. C. W. Brannen, on Zetterower avenue, Thursday, December 3rd.

On the evening of Friday, after the gift sale, there will be sold at auction attractive boxes of famous candies, crates of fruits and other articles. Everybody is cordially invited to attend both sales.

STOCK LAW DEFEATED BY INCREASED MAJORITY

In the no-fence election held last Wednesday the vote was 218 for stock law and 349 against—a majority of 131 against.

This vote shows a pronounced increase over the vote on the same proposition a year ago when the majority against was only about 40.

The election of last week was a very quiet affair, there having been no considerable agitation over the subject. Few voters in Statesboro gave the matter any concern, and the large majority against came from the rural voters.

Crime is estimated to cost the United States ten billions dollars a year, and we contend that it isn't worth it.

NEW PENSION FUNDS IN HANDS OF ORDINARY

Judge Temples announces that he has on hand ready for distribution \$40 for each of the pensioners of the county who have drawn in the past year. This comes from the fund derived by the state from the cigar and cigarette tax, and is part of the amount which has remained unpaid for want of funds in the past. It does not affect the regular annual payment of \$100 to each pensioner. Only those who drew pensions prior to this year are entitled to share in the present distribution.

SEA ISLAND BANK TO ENLARGE QUARTERS

Handsome enlarged quarters are in immediate prospect for the Sea Island Bank.

Plans have already been drawn and the contract will be let at an early date for the work of enlargement to begin early in January.

The plans provide for a frontage double the size of the present front, which will include the Trapnell-Mikell entrance on East Main street. The entire interior arrangement will be changed, giving room for a lobby 15 feet wide in the center and offices on each side. The entrance will be on East Main street. The furnishings will be new and modern and the entire front will be a work of art as well as one of convenience.

The building has been the property of the bank for several years, though it has occupied only the corner space and rented the adjoining space to the Trapnell-Mikell Co.

Trapnell-Mikell will be given the other store adjoining, now occupied by Bowen's jewelry store, which also is the property of the bank. Mr. Bowen will find new quarters in another place. While the remodeling is under way, Trapnell-Mikell Company will condense their stock into the department now occupied by their groceries, with their overflow carried on the second floor.

The cost of the improvements will be approximately \$25,000, and the work will be commenced as early as possible after the first of the year.
